## ***PASTOR'S CORNER***

“No doubt, it’s good to have a kind, thoughtful, and loving heart!! But having just that is not good enough; because many a time, folks that benefit 99.9% from your kind and caring heart suddenly become brutal, malicious, monstrous, and attempt to destroy you once they can’t benefit any longer!! So yes, you gotta have a kind, thoughtful, and loving heart, but the heart must have some room for ELASTICITY to accommodate unexpected evil outcome(s) from those you’ve helped that have turned against you, else you may break down or give up on humanity!! May we never be the reason for someone to give up on humanity, and may we never give up on humanity!!”

## *The meaning of Liturgy. . . .*

The Church's form of divine worship, liturgy, consists of the celebration of Mass, the Sacraments, and the Divine Office, or Daily Prayer of the Church. All other liturgies flow from and toward the Eucharistic celebration, which is the foundation and pinnacle of our faith. Liturgy, in general, is the culmination of God's people, the Church, and God's Savior, Jesus Christ.

Jesus died and rose once and for all for our salvation. Through the sacred act of liturgy, the effects of his dying and rising are carried forward into the present and into the future, allowing people of all ages to experience redemption. In addition to "remembering" everything that Jesus did, the wonder of liturgy is that Jesus actually manifests and works alongside his people to accomplish what is being remembered. We remember what Jesus did at the Last Supper in the Eucharist, and Jesus is present again in the bread and wine.

The term Liturgy literally means "people's work," and it is used in the Catholic Church to describe all public acts of worship that take place, as it draws the people into God's work. It is through the liturgy that people engage with the faith and deepen their relationship with God. We encounter God and are united with our brothers and sisters all over the world as the Universal Church through the liturgy.
