Ordinary Time Explained

Ordinary time refers to all parts of the Catholic Church's liturgical year that do not fall within the major seasons of Advent, Christmas, Lent, and Easter. Thus, Ordinary Time includes two different periods in the Church calendar, since Christmas time immediately follows Advent, and Easter time immediately follows Lent.

The liturgical year begins with Advent, followed by Christmas. Ordinary Time begins on the Monday following the first Sunday after January 6, the traditional day of Epiphany, and ends the liturgical season of Christmas.

The first period of this Ordinary Time lasts until Ash Wednesday when the liturgical season of Lent begins. Lent and Easter are not outside of the Ordinary Time, which occurs on the Monday after Whit Sunday, which is the end of the Easter Season. This second period of Ordinary Time lasts until the First Sunday of Advent when the liturgical year begins again.
