Dear Parents,

We welcome you and your children back to another year of religious education classes! Hopefully, the summer was relaxing and regenerative for you and your family, and we hope you have returned recharged to begin another year.

Experience has shown that religious education is most effectively accomplished when the family and parish work together. The *parents* place Jesus Christ and His teachings at the center of their family life --through Sunday Mass, family prayer, and daily life as disciples of Jesus. The *Religious Education Program* teaches the Catholic life which the child is living at home and experiencing in the Parish. The *Parish* supports and nurtures the parents and provides a “home-place” for the families who choose the Catholic way of life in a world that is increasingly lost without God and in need of the truth that is Jesus.

If you have not registered your child(ren) or know someone who has not, registration forms for both elementary and high school religious education classes are on the church’s website – <https://claverpius.org>.

“Train up a child in the way he should go; even when he is old he will not depart from it.”
